## **Introduction to Troop 282**

*The leaders and committee of Troop 282 congratulate you and your son on taking this big step into Boy Scouting. We want to make this transition as smooth as possible for everyone. In order to do so, we have assembled this information packet. We wish to encourage each boy to accept his responsibility in Scouting. We also realize that parental support is needed to accomplish this goal.*

*In order to join the Boy Scout of America you need to meet age requirements. Be a boy who is 11 years old, or one who has completed the fifth grade or earned the Arrow of Light Award and is at least 10 years old, but is not yet 18 years old. Complete a Boy Scout application and health history signed by your parent or guardian. Find a Scout troop near your home.*

*Troop 282 regular meetings are held at Mary Queen of the Holy Rosary Church cafeteria from **7:00pm till 8:30pm every Tuesday of the year**. The regular troop meetings are used for planning for all of the activities in which the troop participates. Many of these activities cannot be adequately explained in troop newsletters. For that reason, it is important that the Scout attend the Tuesday meetings.*

*Periodically, Troop 282 will hold a "Court of Honor". A "Court of Honor" is an important ceremony in which we recognize the advancements and awards earned by the Scouts of Troop 282. It is also the time that we review up coming activities and events. Parent participation is very important.*

*The packet that you have received has information concerning Boy Scout of America and Troop 282. It consists of the following:*

- 1. This document welcoming you to Troop 282 which is a reference for the future. This document is also on the Troop 282 Website. <http://www.t282.org>*
- 2. A "Boy Scout Application". Required from the Boy Scouts of America.*
- 3. A "Contract of Understanding" required by Troop 282(Appendix A).*
- 4. A "Boy Scout Medical Form", consisting of three parts. Part A and B need to be filled out when your Scout joins the Troop. Part C must be filled out by a physician and is used if your Scout attends any camp. This needs to be done annually.*
- 5. New Scout Information Sheets. This is for the computer program that keeps track of your Scouts progress and activities (Appendix A).*
- 6. Adult Resource Form*
- 7. An "Adult Leader Application". Even if you do not sign up as an adult leader, there are many ways in which Troop 282 can use your talents. Some examples include; Merit Badge counselor, Committee Member, driver, fund raiser coordinator, Board of Review member, Transportation Chairman and many others. If you have questions about what these positions involve please ask.*
- 8. Current Troop 282 roster*
- 9. OSHA BLOODBORNE PATHOGENS INFORMATION(for adults only)*
- 10. Background Request(for adult leaders or Merit Badge councilors only)*
- 11. Parental Permission for use of Photograph, Likeness, and/or Voice*

- 15. All adults/parents should take the online course for Youth Protection and Weather offered by the Boys Scout of America*

## ***How the Boy Scouts of America Does Business?***

***The purpose of the Boy Scouts of America is character development, citizenship training and physical fitness. This purpose is achieved through the activities (primarily out-of-doors); an ethical and moral code; and by association with men and women of high ideals.***

***The Boy Scout program begins with a Cub Scouts at 8 years of age, and through progressive Scouting experiences keeps pace with his development through high school. At the age of 11, with some exceptions (See joining requirements in appendix A for details) the boy is eligible to join a Boy Scout Troop. He does not have to be a Cub Scout to be a Boy Scout. He can join up until the age of 18. At 18 he is considered an adult Scout Leader.***

***This program reaches boys and young men through existing institutions (churches or synagogues, schools, community groups) in his own neighborhood. The meeting place and the adult leaders are provided by the institution. The leaders serve without financial compensation. The expenses of each group (uniforms, equipment, camp fees) is financed by the members of the group. Within the broad policies of the Boy Scouts of America, each chartered institution is completely independent in the operation of its program. Thus Scouting becomes an integral part of the church, school and community in its functions. The boy's loyalty remains with his home, church and school. Scouting supplements but does not supplant these fundamental institutions in a boy's development. There are a number of things vital to the success of the program, which the sponsoring institutions cannot provide for themselves. These services are rendered by the Boy Scout Council (ours is the Bluegrass Council) and its committees composed of selected volunteers. Some examples provided are: organization of new units, training of leaders, program aids, camping facilities and merit badge counselors. Through organization, the talents of these men and women are directed to the time and place where their help is needed.***

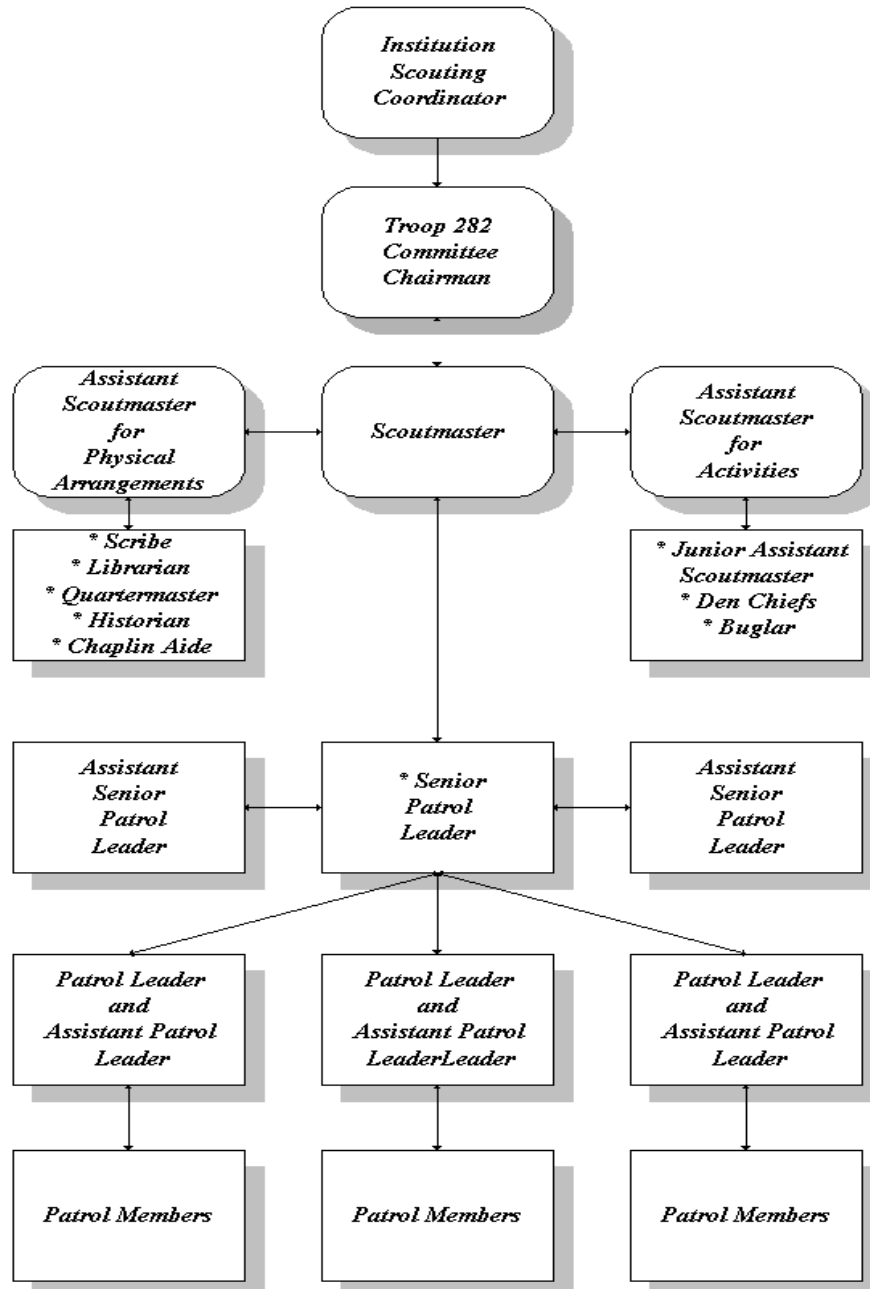

***The council maintains a Scout business office as a service station for volunteers. It is the connecting link between local institutions and their leader and the National Council of the Boy Scouts of America. Our service center is located at***

***The Council employs an Executive Staff of trained men and women who are consultants-not to the boys-but to the leaders and the parents of the boys in Scouting. Scouting is essentially a volunteer movement.***

## Troop Leadership Organizational Chart

*This organization chart explains how the Troop is considered to be a “boy run Troop”. It is the goal of Troop 282 to encourage the boys to run the Troop with their ideas and activities with the guidance of the adult leaders.*

## What is needed to be a Scout in Troop 282?

### Uniform:

Old or new uniforms are acceptable but do not mix old and new. Each scout is to be in uniform for all meetings and outings. *The wearing of the Scout uniform is one of the criteria's when a boy is advancing in rank. It is considered part of the "Scout Spirit" requirement for all ranks. The members of Troop 282(Scouts and Leaders) are expected to wear the full uniform at all Troop activities or events.*

When the leadership determines that the dress uniform is inappropriate for an activity, the members of the troop will be notified of the dress code for the event. It is required that Scouts wear their uniform when leaving for overnight camping trips and when returning.

There are Troop 282 T-shirts available for the times when a uniform is not expected. The costs of the T-shirts are approximately \$15.00 and can be obtained from the Troop Committee Chairman.

Parental encouragement to wear the uniform for all activities is important. If the scout does not wear the uniform he will be asked to leave the activity and can be held back in his advancement. Please see that your son is in uniform as he leaves the house on his way to each activity or meeting. As Scouts we take pride in the way we look.

*<http://www.scouting.org/scoutsorce/HealthandSafety/ahmr.aspx>*

*There are three sections to the physical. All three sections need to be completed every twelve months. Section A and B are to be completed at least annually by participants in all Scouting events and section C if your Scout attends any event that exceeds 72 consecutive hours.*

### **Scouts Account:**

*Each registered Scout of Troop 282 will have a "troop account" opened. All fund-raising money will be deposited in this account. The Troop 282 Treasurer maintains these accounts.*

*Each Scout may use this money for any item that pertains to scouting. (i.e. pocket knife, back pack, summer camp etc.). Before the Scout purchases the article he should confirm that the article, is in fact Scout related. Checking with the Scoutmaster, Treasurer or Committee Chairman is sufficient. After purchasing the article the Scout should turn in a receipt to the Troop 282 Treasurer to be reimbursed.*

*It is customary that a \$20.00 minimum deposit be collected for each scout attending any outing. The purpose of this \$20.00 deposit is to cover outing related expenses such as food, insurance and pre-registration costs. This is only a deposit. If the actual cost of the trip is more than \$20.00 then the Treasurer of Troop 282 will collect any additional money in order to pay each Scout's prorated share of the total cost. In turn if the trip costs less than \$20.00 the scouts account will be credited accordingly. In the event the scout fails to attend an outing for which he has signed up any deposit collected or debited from the account is forfeited. See "Cost of an Outing" section for details.*

*If the amount in the account goes negative the Scout cannot attend any Troop 282 outing until the balance is "zeroed out". Merit badges and badges of rank will be withheld if the Scout's account is negative. All balances are posted on the Troop 282 bulletin board and are updated at least once a month by the Troop 282 Treasurer. If a Scout does not re-charter, 30 days after the re-chartering date any account balance is transferred into Troop 282 general account. If any Scout or adult leaves the Troop they are entitled their money in their account.*

### **Scout Backpack:**

*Each Scout will be given a Troop backpack with the Troop name and the Scout name on the exterior of the pack. If the Scout does not stay active for at least 1 year the backpack needs to be returned to the Troop.*

**Advancement Policy and Procedure:**

***Sign-off of advancement requirements through First Class is done by a Troop Guide, a qualified Junior Leader (designated by the Scoutmaster and Senior Patrol Leader), the Scoutmaster, the adult Patrol Advisor, or a designated Assistant Scoutmaster. This leader signs and dates the Scout's handbook adjacent to the requirement completed and notifies the Advancement Chairman.***

***An "Advancement Workbook" is available for each rank up to First Class. These workbooks are "fill in the blank", and can be used to aid in getting requirements signed off. The Scout can fill in the "Advancement Workbook" with the help of a adult(21 or older) and then it can be reviewed by one of the people who are designed to sign off a completed requirement, as noted above.***

## **Troop 282 requirements for “Scout Spirit” and “Being Active”**

*It is very difficult as Troop 282 Leaders and Committee Members to define what is “Scout Spirit” and “Being Active”. The Boy Scout of America does not enforce any guidelines and leaves it up to the individual Troops to define. Below are guidelines for defining “Scout Spirit” and “Being Active”. Remember, that as your Scout gets older and becomes a Life and hopefully an Eagle Scout, his life will become very complicated. There are many other activities that your Scout will become actively involved with, and it is important to understand that an Eagle Scout is the “BEST” and should perform the “BEST”. “Being Active” and demonstrating “Scout Spirit” is the way to become the “BEST”.*

### **Scout Spirit:**

*All Scouts must wear the uniform 100% of the time spent in each rank. The Troop allows a Scout to miss wearing his uniform 10% of the time. A uniform consists of:*

- *A Scout Shirt, tucked in, not bloused*
- *Troop neckerchief (Eagles may wear the Eagle neckerchief instead of the Troop 282 neckerchief)*
- *Official Scout pants/shorts, or similar pants/shorts to the official Scout pants/shorts. No gym shorts or jeans.*

*In addition to the above requirement “Scout Spirit”*

- *For each rank advancement, the scout needs to have demonstrated four new applications of the Scout Law.*
- *As the scout advances, he will have gone through each of the 12 scout laws twice.*
- *As part of our regular meetings (or at outings), just before the scoutmaster minute, the scouts will be asked for examples of how they have demonstrated scout spirit this past week (or, for outings, this past day).*
- *“Scout Spirit” (How the scout is doing)*
  - *The concept of “Scout Spirit” applies to how a Scout lives and conducts his daily life. It refers to a Scout living his life by the Scout Oath and Law on a continual daily basis. Showing “Scout Spirit” means being a good example to one’s peers. : Scout Spirit” is not to be interpreted as having to attend a certain percentage of Scouting events or outings but rather how the scout brings out the best in others as a reflection of his own character and attitude.*
  - *Scout spirit applies to how you live and how you conduct your daily life – that is, your life both in and out of scouting activities.*

*You show Scout spirit by being a role model, living by the Scout Oath and Law. Scout spirit is not based on how many Scouting events or outings a Scout attends, but rather by how he helps bring out the best in others as a reflection of his own character and attitude.*

*Some ways to do this are:*

- *telling the truth,*
- *sticking up for the kid being picked on,*
- *handing out papers for the teacher,*
- *letting everyone play a game,*
- *saying thank you to the clerk at a store,*
- *helping a kid that dropped his books instead of laughing at him,*
- *playing fair to have fun rather than to win no matter what,*
- *looking for a little fun in every job you have to do,*
- *using your boring old cellphone for another year because it still works,*
- *asking your buddies to not use bad language around you,*
- *listening to music that doesn't promote hate, violence, and other trash,*
- *taking 5 minutes once in a while to just quietly sit outside and think about where you're heading in life*

*(that was a simple example of each of the 12 points in the Scout Law)*

**Being Active:**

*A Scout must attend the weekly meeting and attend outings on a consistent basis. For weekly meeting, a Scout in Troop 282 must attend at least 75% of the meetings between each rank of Scouting. Some excuses are accepted, such as illness, homework, school exams and school activities that the entire school(Troop) must attend. If your Scout is in other activities such as sports or band then he will not advance if he does not attend weekly meetings and outings. It is up to the Scoutmaster and Committee to review this requirement.*

*Outing requirements for being active between Tenderfoot, Second Class and First Class are in the Scout Handbook. They are: requirement 2 for Tenderfoot, requirement 3a for Second Class and requirement 3 for First Class.*

**First Class to Star Rank:**

*To fulfill the participation requirement between the rank of First Class and Star a Scout must "be active in your unit (and patrol if you are in one) for at least four months as a First Class Scout". In Troop 282 he must also attend 5 Activities/Outing which includes:*

- 1. A minimum of 2 Troop overnight camping trips as a First Class Scout*
- 2. 1 Scouting overnight camping trip. Examples: OA ordeal, Scout Training camp, Lockin or a 3<sup>rd</sup> Troop overnight camping trip can be substituted.*
- 3. 2 Troop activities. Examples: Eagle Service Project, Troop bike day trip.*

**Star to Life Rank:**

*To fulfill the participation requirement between the rank of Star and Life a Scout must "be active in your unit (and patrol if you are in one) for at least six months as a Star Scout". In Troop 282 he must attend 7 Activities/Outings which includes:*

- 1. A minimum of 3 Troop overnight camping trips as a Star Scout*
- 2. 1 Scouting overnight camping trip. Examples: OA ordeal, Scout Training camp, Lockin or a 3<sup>rd</sup> Troop overnight camping trip can be substituted.*
- 3. 3 Troop activities. Examples: Eagle Service Project, Troop bike day trip.*

*Also, as a Star Scout you must teach the EDGE method (Explain, Demonstrate, Guide and Enable). For this requirement you will need the Scoutmaster approval before starting.*

**Life to Eagle Rank:**

***To fulfill the participation requirement between the rank of Life and Eagle a Scout must “be active in your troop and patrol for six months as a Life Scout”. In Troop 282 he must attend 8***

***Activities/Outings which includes:***

- 1. A minimum of 4 Troop overnight camping trips as a Life Scout***
- 2. 1 Scouting overnight camping trip. Examples: OA ordeal, Lockin, Scout Training camp or a 3<sup>rd</sup> Troop overnight camping trip can be substituted.***
- 3. 4 Troop activities. Examples: Eagle Service Project, Troop bike day trip.***

***To obtain the ranks of Star, Life and Eagle, a Scout will need a Leadership position. If the Leadership position requires Patrol Leadership Conference attendance, he must attend a minimum of 3 PLC's between First Class and Star and 4 PLC's between Star and Life and Life to Eagle in order to advance.***

***It is the responsibility of the Scoutmaster to conduct the Scoutmaster's Conference. If the Scoutmaster is not available, an Assistant Scoutmaster will be designated by the Scoutmaster to conduct the conference. The Scout will be reviewed and may be signed off for Scout Spirit at the time of the Scoutmaster Conference.***

***Only qualified, registered Merit Badge Counselors approved by Troop 282 may monitor and sign-off merit badges. The Scout should obtain a Merit Badge Application (presently referred to as a "blue card"), a Merit Badge notebook and obtain a signature from the Scoutmaster on the "blue card", before beginning work on the merit badge. The Scout will then work with the merit badge counselor until the requirements are completed. Credit will not be given for the merit badge until the Scout returns the merit badge application (with the counselor's signature) and the notebook to the Scoutmaster.***

***All Boards of Review, regardless of rank, are conducted by a minimum of three adults. One of the purposes of the review is to ensure that the Scout has met all of the requirements. Therefore, a Scout will not be given a review until the troop records indicate completion of requirements. The signatures of the adults will be recorded and filed in the Scout's records for future reference.***

***It is the responsibility of the Advancement Chairman to maintain accurate records of the advancement requirements and merit badges completed by the Scout. A Scout can correct a discrepancy in the troop records by showing the Advancement Chairman the signature and date in his handbook (or other appropriate written evidence). The Advancement Chairman can sign-off in a Scout's book to update it in accordance with the troop records.***

***Periodically Troop 282 or the Catholic Committee on Scouting will conduct classes for the Roman Catholic Scouting awards, Ad Altare Dei and Pope Pius XII. For those Scouts that are not Roman Catholic, Troop 282 will work with your church to achieve the appropriate religious award for your denomination. Please see Troop 282 Scoutmaster or Committee Chairperson for details.***
