Introductory Group Lesson

\$10/person (Ages 9+)

If you are new to skiing/snowboarding, we want to give you tips to get started out right and to have a good first experience on the snow. Our goal is to help you discover the fun of sliding on the snow, learning to control your speed and making those first turns through terrain-based teaching techniques. Lessons are 50 minutes long and taught on the hour, from 10AM-8PM daily and 10AM-10PM during late night sessions, unless otherwise stated.

Purchase this lesson at the Lesson Information Window in the West Lodge and bring your lesson ticket to the Learn to Turn Area (on the snow, west of the West Lodge) at the top of the hour.

All lessons are subject to instructor availability.

Tubing

To proactively manage capacity and crowds, we are no longer able to include Snow Tubing with all Skiing/Snowboarding Lift Tickets. Snow Tubing tickets will only be sold for a 2-hour limit. If you have a Lift Ticket valid for skiing/snowboarding, you can add 2 hours of Snow Tubing for \$10 at the Tubing Ticket Windows. All season passes do still include Snow Tubing. If a passholder would like to use their pass to snow tube, please take your pass to the Tubing Ticket Windows to obtain a 2-hour Tubing Ticket.

What to Bring?

Here is our list of recommended items for you to bring skiing or snowboarding in order to guarantee a fun day on the slopes. If you are in need of anything on this list when you get here, everything on this list is available in the Loft Shop.

- Hat - if your head is warm the rest of you is likely to stay warm.

- Warm, dry socks - No cotton. Wear only one pair of socks.

- Lip Balm
- Snack, Fruit, Energy Bar, Lunch and Drinks or lots of money
- Trail Map - available for free in the lodge.
- ID, Wallet, Cash
- Extra Clothes, Shoes - to change into when you're all done
- Equipment – If you are not renting: either skis, poles and boots; or snowboard and snowboard specific boots.

Assumption of Risk, Waiver of Liability, and Indemnification Agreement

Perfect North Slopes, Inc. (hereafter referred to as PNS) is a recreational snow sports facility that provides recreational opportunities that include, but are not limited to skiing, snowboarding, and snow tubing. We want you to understand that our sports, like other recreational activities, include inherent risks that can never be eliminated regardless of how much emphasis we place on reducing risk.

Definitions: MINOR PARTICIPANT - a child over whom the adult signing this document 1) has guardianship (including a parent) or 2) has assumed responsibility. RESPONSIBLE ADULT – an adult acting in place of and on behalf of said MINOR PARTICIPANTS.

Inherent Risks: PNS feels it is important that any person on premises and all participants (ADULT PARTICIPANTS or MINOR PARTICIPANTS and/or RESPONSIBLE ADULTS) understand the nature of our sports and are aware of, understand, and appreciate the inherent risks involved.

- Skiing and snowboarding risks include, but are not limited to, collisions (with stationary objects such as trees, rocks, stumps, forest growth & debris, lift towers, fences, snowmaking equipment, snow vehicles, signs, and other manmade or natural obstacles; with other skiers/snowboarders); falls; landing awkwardly; over-exertion; failure to successfully complete a movement; loss of control (due to snow/ice conditions such as bare spots, black ice, moguls, terrain features; variations in surface and/or terrain conditions; slope design or modifications; and other hazards, whether manmade or natural, marked or unmarked); use of ski lifts, rope tows, and/or surface conveyor lifts; and exposure to sometimes frigid conditions.
- Snow tubing risks include, but are not limited to, falling from the tube; collision with others and/or objects at the end of the lane; collision resulting from a tube crossing the lane divider into an adjoining lane; collision resulting from another tuber or group of tubers overtaking the participant; unexpected change of speed due to variation in snow conditions; participants having little control of their tube once the slide begins; failure of equipment; and use of surface conveyor lifts.
- Other inherent risks of skiing, snowboarding, and snow tubing include, but are not limited to, erratic or negligent behavior of the participant or of other participants; sudden changes in weather, weather-related occurrences, and acts of nature; failure of equipment (including rental equipment); and judgment errors by staff (including error in judging the ability of participants, failure to anticipate developing problem situations, and failure to anticipate sudden changes in weather conditions).
- Risks of observing and being on the premises for all persons include, but are not limited to, standing too close to run-out areas; being struck by skis, poles, boards, tubes, or other equipment; being struck by out-of-control skiers, snowboarders, or tubers; slipping and falling (on slick, wet, icy, or uneven spots, both outdoors and indoors including restrooms and other indoor areas); slippery or uneven sidewalks, steps, and outdoor surfaces; and various parking lot hazards such as vehicle traffic and unsure footing.

It is important that any person on premises and all participants (ADULT PARTICIPANTS, MINOR PARTICIPANTS and/or RESPONSIBLE ADULTS) understand that injuries can occur as the result of these inherent risks, which include, but are not limited to muscle strains and sprains, bruises, contusions, abrasions, sunburn, muscle soreness, broken bones, ligament and joint injuries, back and neck injuries, concussions, internal injuries, eye injuries, brain injury; spinal cord and back injuries, heart attack, stroke, and even death.

I understand the demands of those activities relative to my physical condition and skill level, and I understand the types of injuries that may occur as a result of PNS activities and their potential impact on my well-being, lifestyle, and both current and potential future careers. **I hereby assert that my participation is voluntary and that I knowingly assume all inherent risks.**
