Chartered by Mary Queen of the Holy Rosary

## Troop 282 Activities

On May 28th, some of the scouts had a short day hike in the Raven Run Nature Sanctuary which allowed them to complete 2nd Second Class Requirement 6--Identify 10 animal signs and First Class Requirement 6 --Identify 10 plants.

The scouts appointed Noah Sprout to navigator and hiked down to the Kentucky River overlook. There, we admired the view for a bit, and befriended a Chinese family that wanted to go see the Mill site but was unsure how to get there. We walked to the mill and spent some time there, then headed back to the car as we were already running a bit late. On the way back to the car, we ran into a copperhead snake!!!
